Financial Solutions That Work for You

AND A MEMBER SERVICE TEAM TO MATCH

About Us

CALCOE Federal Credit Union began in 1937, when the employees at the Cascade Lumber Company (Boise Cascade Corp.) wanted a place to get consumer loans. Over 7 decades later, \$24 million in asset growth, and branch expansion; CALCOE's commitment to our members' financial needs remains our mission. Our products and services have grown into savings, checking, online and mobile banking, IRAs and of course, a variety of consumer loans.

Saving Accounts

Forty dollars in today's world can buy a lot or a little depending on how you decide to spend it. With just \$40 you can become an owner in CALCOE and get a lot for a little. Start your savings account today and enjoy access to products and services for convenience and wealth management including direct deposit, IRAs and HomeBanking. When you are an owner, it's up to you.

Checking Accounts

You make money to spend money and at CALCOE we can help make it trouble-free. Start your checking account with only \$100 and gain convenience from options such as our free debit card, direct deposit and EasyPay online bill payer. Our CALCOE Checking Account has no monthly maintenance costs, no minimum balance requirements and no hidden fees - saving you time, money and worry.

Individual Retirement Accounts (IRA)

Security is having your own retirement account, peace of mind is having it with CALCOE. We offer three different IRAs as accounts or certificates.

Christmas Club Account

With higher than average returns, this account helps you save cash for the holidays, which allows you to avoid the credit hangover in the New Year.

*Restrictions apply.

Convenience Products and Services

We offer ItsMe247 HomeBanking, MobileBanking, TextBanking, EasyPay online bill payer, direct deposit and many other products and services so you can take back your free time!
